Secrets of the Psychic Society

Step inside the world of the Psychic Society and its members, go behind the scenes of psychic development, and uncover the truth about psychic fraud.

A character-driven docuseries

Taking The Mystery out of The Mystical

The Society

United by phenomena that few people understand, individuals from remarkably different backgrounds come to the Asheville Psychic Society seeking something they can't find anywhere else: a community where they can openly share extraordinary experiences, ask difficult questions, and support one another without judgment. Their stories, friendships, and personal journeys form the foundation for exploring the hidden world of legitimate intuitive practitioners as well as scammers.

The Core Cast

The series follows a compelling ensemble of psychics, mediums, healers, and spiritual seekers whose lives are every bit as fascinating as the extraordinary experiences they share.

Kelly Palmatier

Host, award-winning evidential psychic medium.
With more than 30 years of experience, Kelly is dedicated to helping people explore psychic phenomena with both an open mind and healthy discernment. As the author of the *Psychic Credibility Scoring System*, creator of the Restitution Fund for Victims of Psychic Fraud, and founder of the Asheville Psychic Society, she has been a leading advocate for integrity, consumer protection, and higher standards within the psychic profession.

Driven by a lifelong commitment to making the world a better place, Kelly is the heart of the Society, welcoming viewers into a remarkable community where meaningful conversations, extraordinary synchronicities, and profound paranormal experiences unfold every day.

Trey

Hairdresser, astrologer, and psychic medium.
Charismatic and endlessly entertaining, Trey dreams of turning his spiritual gifts into a full-time career.

Tamalla

Trance channel, intuitive, and advocate.
Bold, funny, and deeply compassionate, Tamalla is expanding from private readings to public channeling events while helping others embrace their authentic selves.

Sandra

Angel messenger and healer.
Grounded in her Catholic faith, Sandra bridges two worlds, offering spiritual guidance while caring for her family and challenging assumptions and psychic labels.

Asherah

Manifestation coach and intuitive.
Warm, uplifting, and optimistic, Asherah inspires others to pursue purpose through intention and spiritual practice.

Fairlight

Psychic and blues singer.
Creative, soulful, and unapologetically herself, Fairlight brings both music and mysticism to the Society.

Signature Elements

Recurring interludes enrich each episode while revealing controversial secrets of the psychic world:

Psychic Friend or Fraud

#PsychicFriendOrFraud

Social Media Gold

Society members and skeptical guests discuss consumer protection, ethical practice, and historical cases of outrageous psychic fraud. They investigate real life cases touching on intriguing subjects:

- How do you know if you can trust your psychic?
- Are crystal stone vibrations real?
- Can anyone really have a curse on them?
- Is the Asheville energy vortex real?
- Do spirits in the Afterlife ever need our help?

Spill the Tea Leaves

Social Media Gold

#SpillTheTeaLeaves

Respected readers and celebrity psychics and mediums from all around the world each respond to the same questions:

- How did you know you were psychic?
- Are Ouija boards dangerous?
- Can psychics be fooled?

Their quick-cut answers reveal surprising similarities, fascinating perspectives, and often humorous differences.

SOCIAL MEDIA GOLD

Divine Development

#DivineDeveopment

As new members develop their psychic abilities, viewers learn alongside them through accessible explanations of techniques, terminology, and spiritual practices:

- How do you avoid being overwhelmed by what you receive?
- How do you pick up on exact names?
- How can you manifest an out-of-body experience?

Why This Show Now?

In an increasingly divided world, *Secrets of the Psychic Society* celebrates diverse beliefs and perspectives, while encouraging thoughtful evaluation and discernment, fostering two qualities our society needs more than ever: *acceptance* and *critical thinking*.

Why Viewers Will Keep Coming Back

Viewers come to know and care about the Society's fascinating personalities and become invested in their evolving stories, relationships, and personal journeys.

At the same time, each episode explores intriguing questions about psychic phenomena that fascinate millions but are rarely discussed openly.

More than simply observing psychic phenomena, viewers become part of the exploration. Behind-the-scenes psychic development, thought-provoking conversations, and practical insights into discernment give viewers something new to discover and a reason to return week after week.
